Issue No. 19 | le mercredi, 30 novembre 2022

Thank you!

We had such a great turnout for our Family Literacy Night, and we would like to thank all our parents, staff, and students for participating and making it such a fun night.

Those of you who applied for library cards and were unable to make it should make a point of stopping by the library at your earliest convenience to pick up your card. Mrs. Barbara is holding them for you unless you call her to tell her otherwise.

Chocolate Fundraiser Almost Over

Our World's Finest Chocolate fundraiser will be over on Friday, December 2nd. Please make sure your boxes are paid for by that date.

We will announce the winners for each sales level, as well as the winning class with the most sales per student on Friday afternoon.

Remember, the sales prize categories are as follows:

- Sell 1 case: Earn a free dress day!
- Sell 2 cases: Earn an extra 30 minutes of recess!
- Sell 3 cases: Attend an ice cream party!
- Sell 4 cases: Earn a 5-10" assorted bubble popper!
- Sell 5 cases: Win a 1 lb bar of chocolate!
- TOP SELLER: Win an 8" voice changer!

The class with the most sales per person wins a pizza party!

Lion of the Week

CONGRATULATIONS

November's Lions of the Week were Bree, Sunni, and Nico. Click on their names below to read their interviews.

Nico

Rhythm and Moves

Miss Lillian came over as part of the ACA's Rhythm and Moves program to get our students dancing. They had a great time and laughed a lot while moving to different beats.

Les animaux domestiques

First grade students brought in pictures of their pets for a special show-and-tell in class.

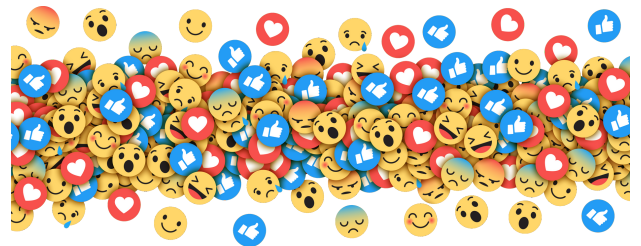

Social and Emotional Learning

We welcomed Mrs. Jessica in September and since then we haven't given you much information on what she does here. Mrs. Jessica is our social worker, and she leads Social and Emotional Learning classes with each grade on a weekly basis. These classes are focused on helping our students learn to be their best selves, effectively manage and communicate their emotions, and make responsible decisions.

This means that our students are learning to (cont.)

get along better with their peers, effectively express their feelings at home and at school. The confidence established between students and staff, this comfort to open up and talk about what's wrong instead of acting out aides our students in maintaining the high behavioral standards of our school. This, in turn, allows our teachers to do their jobs better, so all our students fully benefit from the education we offer.

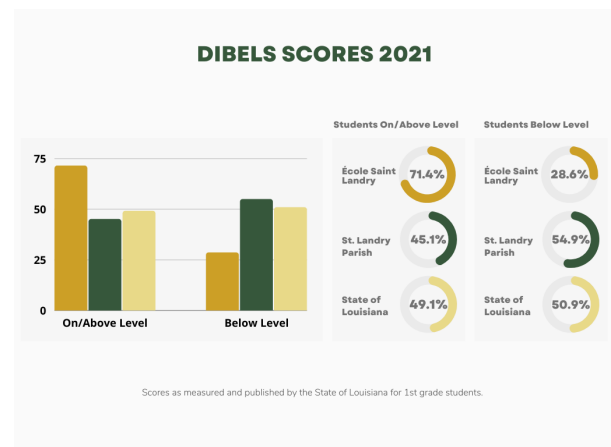

For more information on SEL, please [visit this site](#).

You Made the Right Choice

Not only are your children learning French with us all day, and having a great time making friends for life in such a small, tightly-knit school community, but they are also getting a better education than most other students in the district and in the state overall.

Here are the DIBELS scores from 2021 (2022 won't be released until next year, but we are looking forward to announcing those, too) as a reference:

École Saint-Landry

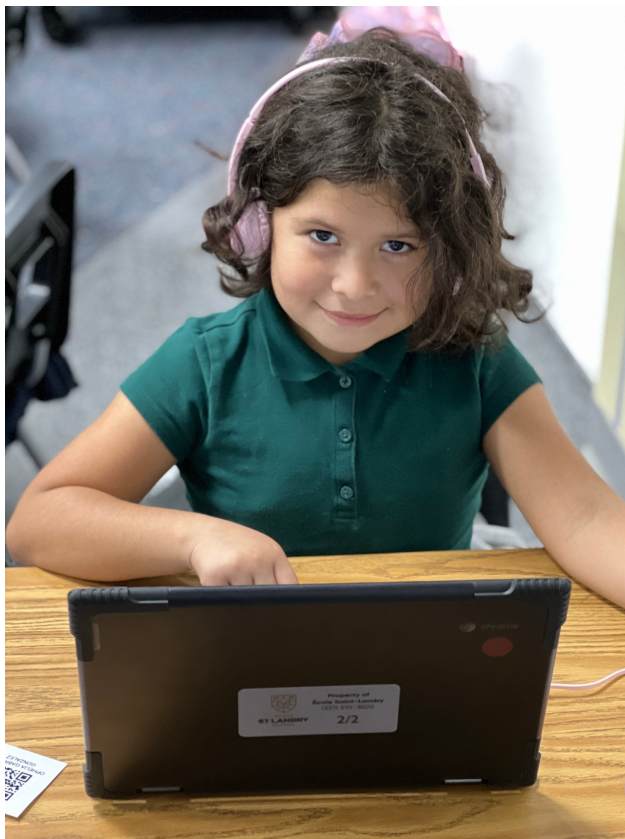

Le journal des lions

You Made the Right Choice (cont.)

This is just one little score, and we are just one small school, only now in our second year, but we are excited to see this year's results when they are published in 2023 and we are confident enough to already be looking forward to sharing them with you.

Children in immersion programs consistently test higher than their peers on standardized tests, and having such a small student body, our teachers are able to provide more one-on-one time to help students in areas where they might be struggling.

We say all this not to brag, but to tell you to pat yourself on the back! You made the right choice sending your child to École Saint-Landry.
