## Community Open House

Merci to all who came out to celebrate our school's opening with us at our Community Open House, et merci aussi to our staff, School Board, and PTO for making it such a fun event. We loved seeing our students and their siblings playing and participating in crafts and story time and singing. They all did a great job.

Events like these are so important to the success of our school because they help to draw in new families. Thank you for your support!

## Christmas Party

Parents, please join us for our school Christmas Party on December 17. Due to limited space in "La grande salle," we are asking that only parents and immediate family attend. We will soon post a link to RSVP on Bloomz.

The PTO has organized a special visit from Santa to read to the children and distribute gifts. Please keep this a secret from your children so they will be surprised, but we need to let you know so you can deliver a gift to school for your child. Please keep the cost of the gift under \$5, clearly label the gift with your child's name, and get it to us no later than December 10th without your child seeing or knowing about it.

We will have cookies and juice and a special concert of Christmas songs in French performed by our classes and teachers. Students should arrive at the usual time, no later than 8:15 to prepare for the party, and parents may arrive between 8:45 and 9:00. The children will sing at 9:00, then we will have refreshments. There will be opportunities for photos with Santa and also for family photos against a beautiful winter backdrop. Lunch will be served as usual in the classrooms at 11:30 and students will be dismissed at 12:30.

## Show Your Support of French in Louisiana with a Special Vanity License Plate

Did you know you can support the Louisiana Consortium of Immersion Schools and CODOFIL (the people who support us) while at the same time rocking a sweet vanity plate?

You can go to the [OMV website](#) and see what yours would look like. The Louisiana Consortium of Immersion Schools plate has a beautiful blue iris on it and the words "Chez nous autres" ("Our Home"), and CODOFIL offers a choice of "I'm Cajun...and Proud" or "I'm Creole...and Proud," both with crawfish, accordions, and fleur-de-lis. On the website, click on the Vehicle Services drop-down menu, select Special Plates, then follow the prompts to see what yours would look like. Enter your license plate number, click on the button, click on Special Interest, and find either "Chez Nous Autres" or "I'm Cajun...and Proud" or "I'm Creole...and Proud." It's \$61.50-\$66.50 and you can renew it every 2 years.

École Saint-Landry does not receive any direct profits from the sale of these personalized plates, but the organizations which support us do, and that comes full circle.

So, when it's time to pick up toys or get

count in French. She has also told us the
