French classes for French Immersion Parents!

We are speaking French to your children almost 7 hours a day and they are learning so much so quickly! But a lot of parents have expressed their desire to learn French, or to improve what they already know, and that's so great! The more you can share in your child's education, the more effective the education they receive from us. And imagine how much deeper your connection can be with your child, speaking a second language together. How many opportunities do we as parents get to learn with our children?

Now, thanks to Alliance Française Lafayette, you can take French classes yourself to keep up with your child! [Please visit this link for more information.](#)

No school on Monday due to hurricane

Everyone stay safe and we'll see you next week!

Yucky masks!

A lot of children are forgetting their masks, and a lot of those who don't forget have dirty masks. We can see everything they had to eat all week. Please make sure your child has a clean mask every day, and it would be a good idea to pack an extra mask in his/her bag just in case a strap breaks or it gets lost or dirty.

MON CALENDRIER DE LA SEMAINE DU
