## 12 Days

We had so much fun during our 12 Days leading up to Christmas Break! Our students really showed off their festive moods (and the creativity of their parents too!). We made ornaments featuring each student and, with the help of a couple of parents, decorated our tree.

Please watch the video above or [click here](#) for a special Christmas message from la classe de Monsieur Anthony.

## Fenced-In Playground

If you pick up your child from school regularly, or if you've come by recently, you may have noticed that the school's backyard, which was once a muddy mess full of holes, is now a beautiful, fenced-in, grassy playground!

Now we need playground equipment, and we have to rely on donors for that \$50,000 expense. But fortunately we have a lot of great supporters who love us, believe in us, and donate to our school!

You can [watch as our donations grow on our website here](#), and if you'd like to donate as well, [you might enjoy our giving grid here](#). Donations of \$50 or more get their names on our donor wall, The Lion's Den.

## Les mots doux de la semaine

John David was with me while I was Christmas shopping and he noticed that a box in the store had French writing on it. He read it to me and translated what it said. The little old ladies standing there were so impressed, and so was I!
